

Seminar and discussion

Where the buck stops – lowland deer on Scotland's roads

Friday 19 May, 10.30 – 13.00hrs

Gullane Village Hall, Hall Lane, Gullane, East Lothian EH31 2HA

Deer and traffic don't mix – but is it a case of too many deer, too many vehicles, or both?

- 10.30 Introduction and welcome
John Bruce, Scottish Chair, British Deer Society
- 10.40 The Code of Deer Management, who has responsibility, the local perspective and what we know.
*Jamie Hammond, Scottish Natural Heritage;
East Lothian and Edinburgh Deer Group*
- 11.00 Deer management policy, designing in preventative measures,
Angus Corby, Transport Scotland; Amey
- 11.20 The national picture, trends, incidents, ideas for consideration for the future
Jochen Langbein, Langbein Wildlife
- 12.00 Questions and discussion - reporting accidents, role of Police Scotland, general lowland deer management issues
- 12.30 Close

The seminar is staged jointly by Lowland Deer Network Scotland and Scottish Land & Estates in conjunction with the East Lothian and Edinburgh Deer Group.

If you wish to attend, advance registration is essential – details below – and also for further information:
